# Eckverzierungen

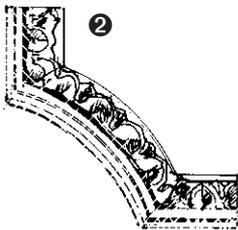

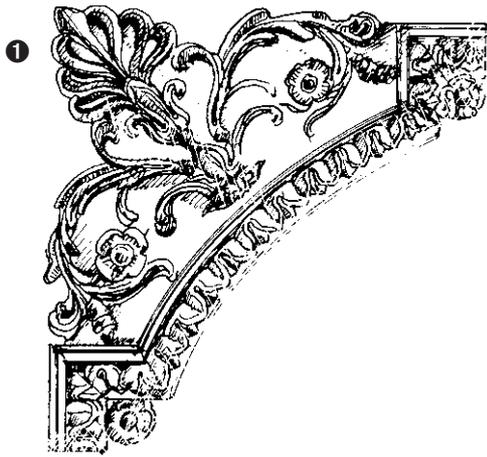

Unsere handwerklich meisterhaft gefertigten Eckverzierungen werden hauptsächlich als zusätzliche Dekorelemente an Wand- und Deckenfeldern eingesetzt.

Die meisten Eckverzierungen sind mit Profilanschluß versehen.

Dies vereinfacht die vielfältigen Kombinationsmöglichkeiten mit unseren Profilen. Daß die Paßgenauigkeit und damit ein nahtloser Übergang zum Stuckprofil gewährleistet ist, versteht sich von selbst.

# KAMINNE • KONSCHEN

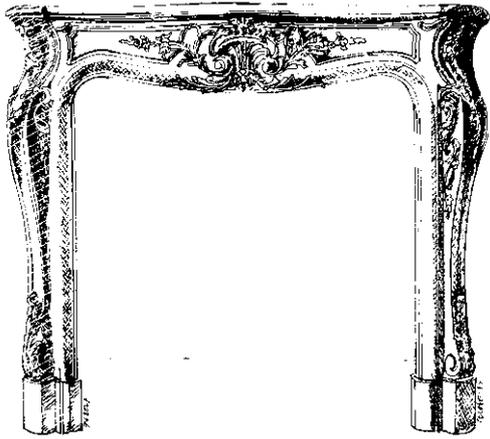

Unsere hochwertigen klassischen Kaminverkleidungen werden in der Regel um vorhandene Feuerungsöffnungen gesetzt, wirken jedoch ebenso elegant als einfache dekorative Wandverkleidung.

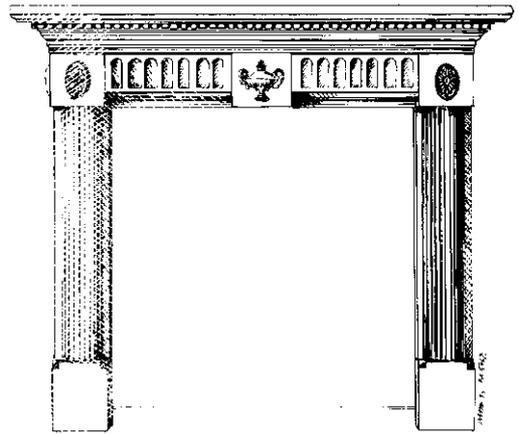

Als weiterer Blickpunkt in Ihrer Wohnumgebung dienen unsere Konschen. Sie sind in vielen Ausführungen erhältlich und werden als Fertigteile in vorbereitete Wandöffnungen oder Raumecken eingesetzt.

Die Möglichkeit einer Innenbeleuchtung ist bei einigen Konschen bereits vorgesehen.
